

**WRIGHTSTOWN TOWNSHIP BOARD OF SUPERVISORS  
MINUTES OF SPRING ROAD INSPECTION OF SATURDAY, MAY 6, 2006**

Annual Spring Road Inspection commenced at 7:30 a.m. In attendance were Chair Chester S. Pogonowski, Vice Chair Jane B. Magne and Member Robert S. Lloyd, Township Administrator Eileen M. Bradley, Township Engineer Mario Canales, and Roads Foreman Stephen Kraiss. No members of the public were present.

The Board inspected recent road improvements to Penn Oak Trail and Brownsburg and Crest Roads.

The Board inspected cracking on the following roads: Fire Creek Road, Fire Thorn Road, Buckman Drive, Maher Lane, and Hampton Court. Ms. Bradley was to get quotes on crack sealing.

The Board discussed options for drainage at the intersection of Hallowell and Wooley Run. Mr. Kraiss would work up pricing for pipe and inlet boxes.

The Board examined the fire pond on Hunter's Wood Drive.

Ms. Bradley would create a schedule for replacement of existing street signs and road signs with signage meeting new PADOT specifications. New signage would need to be in place by 2010.

There being no further business, inspection was adjourned at 9:30 a.m.

Respectfully Submitted,

Eileen M. Bradley  
Township Administrator
