

**WRIGHTSTOWN TOWNSHIP BOARD OF SUPERVISORS
MINUTES OF MEETING OF JANUARY 28, 2008
DRAFT POSTED 01/30/08**

The Wrightstown Township Board of Supervisors Work Session was called to order at 5:00 p.m. by Chair Chester S. Pogonowski. In attendance were Vice Chair Jane B. Magne, Member/Treasurer Robert S. Lloyd, Township Solicitor Terry Clemons, Township Administrator Eileen M. Bradley and Township Videographer David Dutko.

Verizon FiOS: Ms. Stephanie Beavers and Mr. Ed Kramer of Verizon appeared to discuss broadcast of Verizon Government Access Channel 45, which at this time cannot be monitored by the Township. Mr. Kramer stated that Verizon cannot provide a return signal until the entire build-out of the Township is complete, but he would investigate other options.

Courtyards at Penns Crossing: The Board discussed a proposed traffic light at the intersection of Penns Park Road and Route 232 in conjunction with the Courtyards project. The Board agreed to order a 12-hour traffic count study to be completed by Township Traffic Engineer Pennoni so that it could be compared with the Gilmore Traffic Impact Study. Additionally, accident counts for the intersection would also be obtained through the Newtown Police Department.

The Board discussed future plans for the 50th anniversary celebration for Wrightstown Elementary School on October 25.

Ms. Bradley presented updates to the Board on finances and accounting and on the Veteran's Memorial project.

There being no further business or comment, Mr. Lloyd made a motion, seconded by Mr. Pogonowski, to adjourn the meeting at 6:50 p.m. All were in favor.

Respectfully Submitted,

Eileen M. Bradley
Township Administrator
