

**WRIGHTSTOWN TOWNSHIP BOARD OF SUPERVISORS
MINUTES OF WORK SESSION OF MAY 13, 2019**

The Wrightstown Township Board of Supervisors Work Session was called to order at 5:00 PM on May 13, 2019 by Chair Chester S. Pogonowski at the Wrightstown Township Municipal Building, 2203 Second Street Pike, Wrightstown, PA. In attendance were Vice Chair Jane B. Magne, Treasurer Robert Lloyd, Township Solicitor Scott MacNair, Code Enforcement Officer Ted Middleman and Township Manager Joseph F. Pantano.

BUSINESS

- A. Golden Lotus Memorial Park.** Attorney Ed Murphy was present representing Jeff and Kim Hy, owners of the Golden Lotus Memorial Park. Attorney Murphy presented a plan showing changes from the original plan approval. Upright gravestones, relocation of the entrance columbarium, additional buffering and an entrance gate were discussed. The entrance pillars, columbarium relocation and additional buffering (not along Route 413) were not objected to by the Board. The issue of upright gravestones was discussed extensively. The original plan approval allowed for flat ground level grave markers. The owners have requested that upright gravestones be permitted. Some of the concerns were the viewscape from Route 413 and from neighboring properties. The contractor had placed sample gravestones at the desired location to see if the gravestones could be seen from the road. The gravestones can be seen from the road at their present location. The sample gravestones are approximately 30 inches high. The contractor will reduce the height to approximately 24 inches and move the gravestones further back from the road. The elevation drops off so the gravestones may not be seen at the changed location. The contractor will notify the Township when the gravestones are placed.
- B. Agenda of May 20, 2019.** The agenda for May 20 was reviewed and discussed.

SOLICITOR'S REPORT

There was none.

SUPERVISORS' COMMENTS

There were none.

MANAGER'S REPORT

There was none.

EXECUTIVE SESSION

There was an executive session to discuss litigation.
