

## MINUTES WRIGHTSTOWN TOWNSHIP HISTORICAL COMMISSION

Monthly Meeting

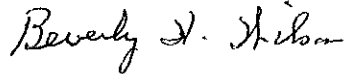

Thursday, January 6, 2022

The regular monthly meeting was canceled, due to the rising number of Covid 19 cases, and the danger that could present.

Beverly Wilson, Secretary, went to the township building, but after a half hour, realized that nobody else would be attending the meeting. Unfortunately, she suddenly became ill from a reaction to a Shingles shot administered earlier that day. She left the building at 1:40 p.m.

It is anticipated that a regular meeting will be held on Thursday, February 3 at 1:00 pm, probably at The Township Building.

Respectfully submitted,

Beverly H. Wilson, Secretary
