

BEAUTIFY BUCKS COUNTY

While helping to eliminate nuisance and disease-carrying mosquitoes in your neighborhood. As the weather warms be sure to check your property for standing water, such as in the locations outlined below. Clean up leaves, refuse and make sure all containers, boats, etc. are stored with covers or inverted to eliminate standing water.

When: Weekend of April 24th or pick a date that works for your friends and family.

Where: Your property, help a neighbor or at a public area.
