### **4) New Business**

- **JMZO Ordinance:** Joe Conroy explained to the Planning Commission that it was brought to the Jointure's attention that in the B-17 Elderly Housing Use residents of Upper Makefield were unable to install generators because of setback restraints. He explained that it is important for them to have access to generators because the power often goes out and more and more medical devices require electricity to function. The Planning Commission made, seconded, and voted unanimously to recommend to the Board of Supervisors the approval of this ordinance.
- **Sign Ordinance Update:** The Planning Commission continued to work through the definitions of types of signs. They brainstormed what types of signs were already in the township and what types they could potentially see being useful. They went through the list and made a rough draft of which sign types they believed should be allowed in Wrightstown. For the next meeting they decided to take pictures of the signs they see around Wrightstown to discuss.

### **5) Adjournment**

- A motion was made, seconded, and unanimously voted on to adjourn the meeting at 9:02 PM

**Respectfully Submitted**
